## ▶ WHO IS COZYSITES?

A turnkey website service for small businesses. We build, host, and maintain professional sites for \$24.99/month — replacing the \$2,000–\$5,000 web-designer sticker shock that keeps small biz off the internet.

Live sites: [bpexpresstire.com](https://bpexpresstire.com)

## ▶ WHY WE PAY MORE THAN OTHER AFFILIATE PROGRAMS

Most SaaS pays you once. We pay you forever. We'd rather share the revenue than spend it on ads — your audience trusts you more than an ad ever will.

**Most affiliate programs:** one-time payout — ~\$50 per referral, then gone

**CozySites:** **\$5/mo recurring, lifetime — compounds month over month**
